#### POST YOUR 2012 NRAM EVENTS & ACTIVITIES

OCTOBER 14, 2011 • [RADONLEADERS.ORG](http://RADONLEADERS.ORG)

January is fast approaching and we want to showcase your National Radon Action Month (NRAM) events and activities. Let everyone know by submitting brief descriptions of your 2012 National Radon Action Month (NRAM) events and activities to RadonLeaders.org. Submittals are quick and easy with your choice of the online form or the batch upload feature. All NRAM and related events and activities held during October 2011 through the end of February 2012 are welcome. Posting your NRAM outreach on RadonLeaders.org allows radon colleagues and the public to see our collective effort. This makes it easier to learn from each others' successes and connect around specific activities and events. Many NRAM tools and streams of information are available to assist you at RadonLeaders.org. There you can:

Radon experts from Switzerland, South Tyrol, Bavaria, Baden-Württemberg and Austria have worked out four brochures for the public (prevention, measurement, mitigation, thermal retrofitting).

The brochures are unique as they combine and concentrate the knowledge and experiences of experts from different (Alpine) countries.

Even though some aspects may be specific to the construction technologies and building characteristics of Alpine countries you may find these brochures helpful for your work, too.
